Crankshafts for John Deere 4-270 Engines.

Reliance Parts Corporation is pleased to announce the availability of crankshafts for the 4-270 engines used in 3010 and 3020 Farm Tractors as well as the series 510 and 510A Backhoes.

These crankshafts come complete with the balancer drive gear installed.

We offer these crankshafts for early and late 4-270 applications.

PART NUMBER	DESCRIPTION	CRANKSHAFT MARKING NUMBER
NAR-26428	CRANKSHAFT 4-270, EARLY	R26540 or R46498
NAR-40485	CRANKSHAFT, 4-270, LATE	R40570

Be sure to include these popular crankshafts on your next stocking order.
